PR02	<b>Atma Bodha</b> Language - <b>Telugu</b> No of Talks – <b>16</b> Format - <b>mp3 Audio</b>	In Atma Bodha, Sri Sankaracharya elucidates Atma Jnana to the layman in a compendium of sixty-eight stanzas without the technicalities used in the Vedas. PR03	<b>Vedantasaaram</b> Language - <b>Telugu</b> No of Talks – <b>49</b> Format - <b>mp3 Audio</b>	In Vedantasaaram, Sri Swami Sadananda Saraswati discusses the entire Vedantic teaching following Adhyaropa and Apavada. The uniqueness of the text lies in the relevant Upanishadic references provided by Swami Sadananda to support His assertions, thus establishing the unanimity of the text with the Sruti. Sri Sadananda Saraswati provides elaborate definitions for Vedantic terminology that have been further elucidated by Pujya Gurudev in these talks, for the benefit of the seekers. PR04	<b>Hastamalakeeyam</b> Language - <b>Telugu</b> No of Talks – <b>7</b> Format - <b>mp3 Audio</b>	<p>The text Hastamalakiyam is a rare gem not often dealt with by many due to its highly technical nature. Hastamalakiyam is the reply of a seemingly dumb boy to the question "Who are you?" posed by Sri Adi Sankaracharya. Highly impressed by the atma jnana of the boy, Sri Sankara called him Hastamalaka and made him his disciple.</p> <p>The words 'Hastamalaka' and 'Karatalamalaka' are often used in Advaitic literature to denote the clarity of Self-knowledge as explained in the scriptures, especially in regard to Aparoksha anubhava. Also known as Hastamalaka stotra, these 12 verses are so succulent in the essence of Advaita that the teacher, Sankara himself chooses to write an enlightening commentary on this work of his disciple. In these talks Pujya Acharya systematically reveals the atma-vichara and presents the heart of Hastamalaka.</p> <p><b><i>These lectures demand the utmost attention of the seeker for greater understanding</i></b></p>	14

PR07	<p><b>Bhaja Govindam</b> Language - <b>Telugu</b> No of Talks – <b>9</b> Format - <b>mp3 Audio</b></p>	<p>Bhaja Govindam is a book of conversion. It transforms a Samsari into a Mumukshu. PR08	<p><b>Sadhana Panchakam</b> Language - <b>Telugu</b> No of Talks – <b>8</b> Format - <b>mp3 Audio</b></p>	<p>This short treatise is attributed to Sri Adi Sankaracharya.
